Call for applicants

MBA Program for PhDs by *Collège des Ingénieurs*

Our **Science and Management Program** lets you **pursue your PhD and an MBA at the same time**, giving researchers the tools, mindset, and network to see their work from a broader perspective.

You'll strengthen your academic skills with strategic thinking, learn how to communicate your research effectively, and gain a deeper understanding of how science connects with industry, innovation, and leadership.

Check the requirements on our website and

Phd + MBA Structure

- **Phase 1 – during your PhD:**
  6 weeks of education in Turin spread across your first 2 years. Training focuses on innovation, soft skills, research communication, and thematic schools.
- **Phase 2 – after your PhD:**
  9 weeks of management education across Paris, Munich, and Turin
  + 26 weeks of paid working experience in a selected partner company.

Apply before Nov 8th Using the code **SapienzaSAM27**
